

## FY04 Right Whale Competitive Grant Program Awards

Grant Number	Grant Category	Principal Investigator	Institution	Title	Year1 Amount	Total Amount
2	5	Moore	WHOI	Diagnostic necropsy of North Atlantic right whales: a trend assessment tool	34820	107896
12	7	Baumgartner	WHOI	Right whale habitat investigations in the western Gulf of Maine	63638	63638
11	2	Kite-Powell	WHOI	Right whale avoidance behavior in the context of vessel speed	43104	43104
5	1	Albert	Marine Resources Council of Florida	Northern right whale monitoring project	24966	24966
20	5	DiGiovanni	Riverhead Foundation	Marine mammal abundance survey for North Atlantic right whales in the New York Bight and Mid-Atlantic region - a pilot study	186545	186545
16	7	Read	Duke	Predictive modeling of right whale distribution off New England	86818	255500
6	1	Woodward	U Maine Orono	Development of a towed telemetry tag for tracking the long-term movements of right whales at sea	158894	158894
3	5	Weinrich	WCNE	Fall boat-based surveys on Jeffreys Ledge for North Atlantic right whales	108789	411906
1	3	Campbell-Malone	WHOI	Materials of right whale bone and soft tissue in context of fatal blunt trauma: a predictive model of how ship mass and speed impact mortality risk	86012	216423
18	4	Firestone	U Delaware	Evaluating commercial vessel traffic characteristics and whale strike probabilities along the North Atlantic coastline	131338	375778
8	9	Tyack/Lysiak	WHOI	Stable isotopes as indicators of right whale growth and productivity	41201	41201
9	2	Tyack/Parks	WHOI	Functional hearing test of North Atlantic right whales in the field	97915	228938
13	1	Baumgartner	WHOI	Right whale diving and foraging behavior in the western Gulf of Maine	97577	331985
